Central Plains Region Pastors' Retreat

May 1-3 almost half of the pastors in the three Association of the Central Plains Region gathered at Hope Fellowship Church in Kansas City, MO. for a retreat. It was a time of worship, refreshment in the Word, fellowship, and prayer. It was a clear example of how we are better working together. Kevin Doyle, South Canyon Baptist Church in Rapid City, lead us into the presence of God with great music. Nothing like a room full of pastors singing their praise to God.

THANK YOU

CENTRAL PLAINS REGION

Thank you to Hope Fellowship Church for hosting us so well and to the church of the Central Plains Region for working together to make this an affordable event for our pastors.

International Missions...

By working together, we can send missionaries around the world...

Jeff and Sonya Kilmartin

...Missionaries in Cameroon - Seminary Professor / Fulbe Ministry

Jeff's primary ministry will be a teaching position in Ndu, Cameroon, along with spending some time

lecturing at Mbu in Nigeria. He will also travel and minister among the Fulbe in both Nigeria and Cameroon. A fourth aspect of his ministry will involve evangelism among the Muslim Fulbe who live near the seminary in Ndu. Sonya is hoping to build on her two summers of experience with the Baptist Teacher Training College in Ndu, Cameroon, and continue to help equip national teachers in some capacity, whether among Fulbe or other tribes. Our

desire is to get to Cameroon as soon as possible. We have resigned from our church and are packing up at the parsonage and moving in with family 'til this is done!
